Assistant MUA

An assistant may be needed depending on start/finish time and total headcount on the wedding day. Please discuss this before signing the contract so that the contract can be completed as accurately as possible. The bride is responsible for keeping the makeup artist up to date in headcount changes as far in advance as possible (one year) so that an assistant can be secured if need be. All brushes and tools are sanitized prior to any makeup application. Any skin condition should be reported by the client to the makeup artist prior to application. If necessary, a sample of the makeup may be applied to the skin to test for a reaction. Clients agree to release the makeup artist from liability for any skin complications due to allergic reactions.

Cancellations

Cancellations must be made at least 30 days prior to your reserved date. Otherwise, you will be responsible for the total amount of services agreed upon in this contract.
